

Asking For Referrals

- Who do you know who wants to change their health right now?
- Lose weight, have more energy, sleep better, recover after exercise better, increase lean muscle mass.
- Who do you know who wants to feel better? Shed some unwanted pounds? Create additional income?
- Do you know anyone in the fitness industry, healthcare industry; chiropractor, nutritionist, dietian, or doctor, etc, who would be open to hearing about how their patients or clients could benefit from these nutritional cleansing programs. I would really love to talk to them and show them how they could be a solution to so many people's health and weight struggles.
- As for the business, this could create an additional stream of income for your practice. We work as a team, so there is plenty of support, guidance, and tools to help set you up for success.
- Who do you know that is in network marketing?
- Who do you know that is involved with sales?
- Who do you know that is great with people?
- Who do you know that is entrepreneurial?
- Who do you know that wants to retire early?
- Who do you know that would love to stay home with their kids instead of having them in day care?
- Who do you get personal services from? Chiropractor, doctor, dentist, trainer, hair stylist, nail technician, acupuncturist, real estate, car industry, financial planner, mortgage brokers?
- Who do you know that needs extra money, more time freedom, a change of career?
